

## Assuan Bed

The Assuan's linear shapes are complimented by the slight curves of the headboard cushions. An oak bedframe is uniquely designed to embrace the curved line of the cushioned bedhead. This oak frame contributes to form the frame of the bed, creating a solid, grounded visual line. Paired with a cushioned padded layer, the frame gives a solid yet soft aesthetic. The fusion of these design details paired with luxurious materials make the Assuan a truly memorable piece.
