

Eliot Keramik table

The Eliot Keramik table features a unique and innovative top that is constructed with ceramic and glass. The ceramic is printed onto the glass allowing the ceramic finish to be stronger, lighter and much easier to maintain. The Eliot Keramik is available in several different dimensions, shapes and ceramics for the top and five finishes for the steel base.

Brand: Cattelan Italia
Designed by: Giorgio Cattelan

Dimensions:

Rectangular top:

200cm(L) x 100cm(W) x 75cm(H)
