

## Spyder Wood Table

The Spyder wood table features a top with irregular solid wood edges creating a sense of natural beauty and elegance for any dining setting. The organic top is available in walnut, natural oak or burned oak wood. The top is also available with an angled edge top that the Skorpio wood table uses. The base is available in steel finishes and the top is available in four standard sizes. Custom sizes for the top are available upon request.

Brand: Cattelan Italia  
Designed by: Philip Jackson
