

Sumo bed

Brand: MisuraEmme

Designed by: Mauro Lipparini

The soft yet solid form of the Sumo showcases its superior comfort. Upholstery details of quilting and edge stitching give the form its elegant characteristics. With the option of upholstering the internal part of the headboard in a different material or colour, a sense of depth and texture can be created. The solid curves of the Sumo are visually grounded by the base which can be utilised as a storage element, or as a fixed base.
