

## BERTHA CHAIR

---

Designed by C. Marelli & M. Molteni the Bertha chair conveys a traditional form through its leg shape and rectilinear supporting back. A soft padded seat in its rounded form offers effortless comfort, while smooth lines give the Bertha a streamlined aesthetic. Suitable for formal and casual dining spaces the Bertha gives an uncomplicated addition to interior spaces. Bertha is available in cenere or black stained solid ashwood, with a upholstered seat in leather, synthetic leather or fabric.
